

VAT Exemption - Information for purchase of Disability Products

Please read the following information carefully.

In order for us to meet "yours and our" obligations to Customs & Excise, and to avoid paying VAT you will be required to sign a simple declaration form that you are eligible to receive goods with the VAT exempt from payment.

Please note we are only able to exempt VAT from the actual goods, all delivery charges will attract VAT as normal.

Many items such as travel bags, rechargeable batteries, and accessories are not eligible for VAT relief as per HMRC regulations.

By submitting the form you are declaring that you have read and understood the VAT exemption rules described on the form page and that you are eligible for VAT relief under paragraph 1 of VAT leaflet 701/7 and that the goods you are ordering from Medema T/A Omega Medical Supplies Ltd are for your own use and you are claiming that the supply of these goods is eligible for relief from VAT under group 14 of the zero rated schedule to the Value Added Tax Act 1983.

The purchase must be for personal use – not for a GP surgery or for use in a nursing/residential home.

You can send us the completed form by fax or post.

On receipt of the completed form we will refund the VAT charges by sending you a cheque.

Please note: A Doctors note is not required as this is a self-declaration. By post and fax :
